REPORT OF SELECTMEN AND TREASURER

We, the selectmen and treasurer, submit the following report of the Town of Richmond for the fiscal year ending January 31st, 1941.

An audit and examination was made of the accounts of the Town of Richmond by the division of Municipal accounting of the State Tax Commission covering the period from July 14th, 1939 (date of previous audit by this division) to October 1st, 1940. This audit was made at the request of the voters of the town as expressed in a vote taken at the annual meeting held in March, 1940.

FINANCES

Statements have been prepared showing the trend of indebtedness, valuations and taxes during the period from January 31st, 1931 to January 31st, 1940. (See Schedule A). In 1939 the appropriation overdrafts of \$971.13 were offset by unexpended balances of \$1,164.56, which resulted in a net excess of appropriations over expenditures amounting to \$193.43. This amount added to the net excess of actual over estimated revenues of \$4,787.49 resulted in a net budget surplus for the year of \$4,980.92.

SELECTMEN AND TREASURER'S ACCOUNTS

The vouchers issued by the Selectmen during the period of audit were examined as were also the supporting invoices and payrolls. Vouchers were compared with the entries in the receipts and payments book and classification of expenditures noted. The treasurer's cash book balance as of October 1st was in agreement with the reconciled bank balance of like date.

TAX COLLECTOR

The tax warrants of Collector Howard L. Baird for the levies of 1937, 1938, 1939, and 1940 were audited and balanced. The records of the tax collector were found to be in good order and the collection of taxes satisfactory. A complete list of unredeemed taxes which have been bought by the town, indicated by the year of the levy is contained in Collector Baird's report.

PROPERTY OWNED BY TOWN

A list of all property owned by the town acquired by tax collector's deeds or otherwise is shown in balance sheet of this report.

TOWN CLERK

The accounts of the town clerk for the current fiscal year were audited and showed statements of motor vehicle permits and dog licenses issued as well as remittances to the treasurer by the town clerk and were found to be in order.

TRUSTEES OF TRUST FUNDS

The principal and unexpended income of the several trust funds on deposit in the Cheshire County Savings Bank of Keene were examined from the various pass books and were also found to be in order.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Richmond:

I have the honor to submit my third annual report.

TEACHERS: Schools opened in September with a new teacher at the Four Corners School. The School Board appointed to this position Miss Della H. Greenly, graduate of Plymouth Normal School, and a teacher of wide and successful experience. Mr. René Mathieu returned as teacher to the North Richmond School. The results secured by these teachers have been commendable.

BUILDINGS AND GROUNDS. During the summer of 1940, the usual minor and necessary repairs were made in both buildings, such as general cleaning, painting, and varnishing where needed. The School Board thought it advisable to make use of some of the unexpected June balance to install new blackboards, new shades, and new supply closets. In addition, the rooms were painted on the inside and floors and doors were fixed wherever necessary. The Richmond school children are now provided with attractive and well kept buildings.

ENROLLMENT: The following table shows the actual membership in the Richmond schools as of January 31, 1941:

ENROLLMENT TABLE

School	Grades								Total
	1	2	3	4	5	6	7	8	
North Richmond,	4	4	0	3	0	6	2	3	22
Four Corners,	2	3	1	6	0	7	1	3	23
Totals,	6	7	1	9	0	13	3	6	45

These figures show an actual membership of 45 pupils with grade six having the greatest number in any single grade. This total number is nine less than the membership at this time last year.

At the present time, there are 13 pupils enrolled in high schools at Keene and Winchester. Four pupils are enrolled in the former and nine in the latter. Four of the thirteen are in the senior class and will probably graduate this year.

I wish to express my appreciation to the teachers and pupils, to the School Board and to the parents and patrons of our schools for their loyalty and cooperation.

Respectfully submitted,
 CHARLES W. WALKER,
 Superintendent of Schools.
